

RETRACTION ANNOUNCEMENT *JOURNAL OF KIDNEY CANCER*

The *Journal of Kidney Cancer* wishes to inform its readers that the following article has been **officially retracted**:

Title: *Ligustrazine Inhibits the Migration and Invasion of Renal Cell Carcinoma*

Authors: Xufeng Zhang, Junfu Wang, Yanhua Cao, Kalin Li, Chao Sun, Wen Ji

Journal Reference: *J Kidney Cancer VHL*. 2023 Jan 14;10(1):1–8.

DOI: <https://doi.org/10.15586/jkcvhl.v10i1.232>

The decision to retract this article follows an investigation prompted by concerns regarding **image similarities** with a previously published study:

Reference:

“HMGB1 Promotes the Proliferation and Metastasis of Lung Cancer by Activating the Wnt/β-Catenin Pathway”

Authors: Xiao-Hui Wang, Shu-Ying Zhang, Mei Shi, Xiao-Peng Xu

Published in *Technology in Cancer Research & Treatment*, 2020 Jan- Dec;19:1533033820948054.

DOI: <https://doi.org/10.1177/1533033820948054>

After a thorough examination, we were **unable to determine the originality of the images** used in the retracted article. As a result, the editorial board has decided to withdraw the article **effective immediately** to uphold the integrity of the scientific record.

We sincerely apologize for any inconvenience this may cause our readers, reviewers, and the scientific community.
